

## Week 5: International Cuisine – Self Directed Project May 18<sup>th</sup> – 25<sup>th</sup>

### WEEK THREE of International Cuisine

#### **Part C: COOKING!**

You will then alter and cook the same dishes from your country (at least one serving), not necessarily on the same day. Present photos of your food and blog your thoughts.

1. For the first dish that you cooked last week, I would like you to alter the recipe using aspects from both recipes that you liked. I would also like you to add your own twist to the dish.
2. Submit YOUR new recipe.
3. Cook the recipe that you created.
4. Submit at least four pictures for each recipe (that include ingredients measured, cooking process and finished products).
5. Write a BLOG style review on your dish, discussing the flavours and what worked and what did not. Submit the paragraph to me and I will post it on the weebly site.
6. Repeat the process for your second recipe.

**This Part is Due May 25, 2020**
